<u>The Cult of Domesticity and True Womanhood &</u> <u>Factory Rules from the Handbook to Lowell</u>

- 1. What was the Cult of Domesticity?
- 2. Summarize each of the 4 characteristics each woman was supposed to cultivate as part of this theory on women's roles in society.

3. In what ways is this theory similar or different than women's roles in colonial American society?

4. Summarize the typical day for a woman working in the mills at Lowell.

5. In what ways are the expectations of the Lowell women in conflict with the Cult of Domesticity theory?
