

# Map of American Expansion from 1787-1812

**READ THE INSTRUCTIONS CAREFULLY!!!!**

In order to gain a greater appreciation of the geographic expansion undertaken during the Early Administrations period, you will plot key territories, states, and landforms on an outline map of North America. This map will delineate how the United States territory grew during the Early Administration Period from 1787 until 1812.

Using your textbook, information you have in your notes, class maps, and other available materials (Internet, library, etc.), you are to indicate the following things on your outline map of the United States:

**States (labeled by name or correct abbreviation AND shaded different colors):**

Delaware	South Carolina	Kentucky
Pennsylvania	New Hampshire	Tennessee
New Jersey	Virginia	Ohio
Georgia	New York	Louisiana
Connecticut	North Carolina	Washington, D.C.
Massachusetts	Rhode Island	
Maryland	Vermont	

**Location of:**

Northwest Territory (outlined & shaded)	Lake Superior
Mississippi River	Spanish Florida
Lake Ontario	Louisiana Territory (w/ year it was purchased)
Lake Erie	Appalachian Mountains
Lake Huron	Battle of Fallen Timbers site
Lake Michigan	route of Lewis & Clark

**Other requirements:**

- include a **title on your map**
- include a **key** explaining any colors or symbols you use

**20 POINTS POSSIBLE**
