

# AP EUROPEAN HISTORY

1. Read the Foote article “Where Columbus Was Coming From”
2. Identify and categorize as many examples of PIRATES themes as possible from the reading:
  - i. Use the PIRATES sheet (2<sup>nd</sup> page of this assignment) to indicate specific changes in European society (political, intellectual, religious, artistic, technological, economic, and/or social) AND changes which came about as a result of Columbus’ voyages to the New World
    - It may be difficult to find evidence for each theme....just do your best
  - ii. For each of the themes that you identify:
    - provide examples **with page #** and paragraph location
    - be prepared to discuss your rationale for categorizing examples as you did
  - iii. ALSO, write down **TWO examples of bias or Point of View (POV)** in the article and explain why you think they are good examples.

Remember, PIRATES stands for:

Political

Intellectual

Religious

Artistic

Technological

Economic

Social
